PLEASE CAREFULLY READ THE TERMS AND CONDITIONS OF THIS END USER LICENSE AGREEMENT (THE "EULA" OR "AGREEMENT") BEFORE INSTALLATION OF EQUORUM'S SOFTWARE PRODUCTS (THE "SOFTWARE"). YOUR INSTALLING, DOWNLOADING, USING OR COPYING THE SOFTWARE, CONSTITUTES ACCEPTANCE OF THESE TERMS AND CONDITIONS AND YOUR WILLINGNESS TO BE LEGALLY BOUND UNDER THE AGREEMENT. IF YOU DO NOT AGREE TO BE BOUND BY THIS LICENSE AGREEMENT, DO NOT INSTALL, DOWNLOAD, COPY OR USE THIS SOFTWARE, AND PROMPTLY RETURN THE DISK PACK, DOCUMENTATION, AND ALL MATERIALS TO EQUORUM WITHIN SEVEN (7) DAYS FOR A FULL REFUND OF THE LICENSE FEE LESS HANDLING CHARGES.

This End User License Agreement (the "EULA" or "Agreement") is made as of the day that you install the software (the "Effective Date"), and is between you (the "Licensee") and eQuorum Corporation, ("eQuorum"), a Georgia corporation with its principal place of business at 6285 Barfield Road, Atlanta, Georgia 30328.

In consideration of the mutual promises set forth herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. GRANT OF LICENSE. Conditioned upon Licensee's compliance with the terms of this Agreement, which shall include any exhibits, attachments or addenda annexed hereto, eQuorum Corporation ("eQuorum") hereby grants to Licensee for the Term (as defined below), a limited, non-exclusive, non-transferable, revocable license to use the Software solely in accordance with the terms of this Agreement. For the purposes of this Agreement, "Software" means the software programs and documentation, and the number of authorized copies (seats) licensed hereunder, as agreed to in the Acceptance screen or as listed on the quotation(s) or purchase order(s) which is (are) incorporated herein. Subsequent and additional quotations or purchase orders may be agreed upon and executed by the parties from time to time, and shall be incorporated into this Agreement by reference. "Software" also includes any upgrades, improvements, or modifications to the Software and all associated documentation that are made generally available to eQuorum's other licensees and that Licensee is authorized to receive ("Updates"). Title and full ownership rights to any and all copies of the Software, and all intellectual property rights therein, shall remain with eQuorum. Licensee assumes responsibility for the selection of the Software to achieve Licensee's intended results, and for the installation, use and results obtained from the Software. THE SOFTWARE IS A PROPRIETARY PRODUCT OF EQUORUM AND IS PROTECTED BY COPYRIGHT, AND OTHER LAWS. TITLE TO THIS PRODUCT, AND ANY COPY, MODIFICATION, DERIVATIVE WORK, IMPROVEMENT OR MERGED PORTION OF THE PRODUCT, SHALL AT ALL TIMES REMAIN WITH eQuorum, WHETHER DEVELOPED INDIVIDUALLY BY LICENSEE OR THIRD PARTIES OR JOINTLY WITH EQUORUM. eQuorum grants no rights to the Software by implication, and reserves all rights in same, not expressly granted herein.

2. USE OF SOFTWARE. Licensee may: (a) use one copy of the Software on a single central processing unit located in Licensee's office ("CPU") for Licensee's internal in-house use only by Licensee and its employees, but no others; (b) make two back-up copies of the Software only in machine readable (object code) or printed form provided that Licensee reproduces and affixes to all copies, modifications or portions merged into another program, all of eQuorum's copyright, trademark, and other proprietary legends contained on the original copy received by Licensee; and (c) merge the Software into another program for Licensee's own internal in-house use only by Licensee and its employees, but no others, on a single CPU (any portion of this Software merged into another program will continue to be subject to the terms and conditions of this Agreement).

eQuorum software authorization keys are generated using configuration information from the device upon which they are installed and are enabled for use only on that device. A new authorization key is required to reinstall the licensed software if licensee moves the software to a new device or re-installs the software on the same device after that device has been reconfigured. The issuance of new authorization keys is a service provided by eQuorum as part of an eQuorum software and support agreement.

Plot Station software, when delivered as a bundled component of ImageSite, is licensed only for access and use through the ImageSite user interface. The implementation of Plot Station to support WAN or Internet based distributed plotting requires the licensing of one or more additional Plot Station Server configurations or the ImageSite Enterprise Plotting Software License for this purpose. Plot Station output drivers are licensed for use with only the specific device model for which they are named and may not be used to drive other devices.

3. RESTRICTIONS. Licensee may not, or allow others to, use, copy, modify, reproduce, translate, adapt, sell, rent, sublicense, lease, generate revenue, use the Software in a service bureau or time-sharing arrangement, disclose, disassemble, reverse compile, reverse engineer, create derivative works of, divulge, publish, assign, pledge, or transfer the Software, or any copy, modification or merged portion, in whole or in part, except as expressly provided for in this Agreement without specific written authorization from eQuorum. If Licensee attempts to assign or transfer possession of any copy, modification or merged portion of the Software to another party without written consent of eQuorum, then this Agreement and the license granted hereunder is automatically terminated without notice. IN NO EVENT MAY LICENSEE TRANSFER THE SOFTWARE FOR USE OUTSIDE THE COUNTRY IN WHICH IT WAS ORIGINALLY LICENSED.

Licensee may not, without specific written authorization from eQuorum, use a demonstration copy, evaluation copy or beta version of the Software (i) to generate income; (ii) to perform any of Licensee's business functions or (iii) for any purpose other than Licensee's own internal evaluation of the Software. Licensee may not deliver, operate or show the Software or demonstrate, evaluate or beta version of the Software to or for any third party without eQuorum's consent. Licensee agrees to the use of security mechanisms, hardware and/or software, with the Software by eQuorum, and authorizes eQuorum to instruct the security mechanism to prevent operation of all or part of the Software if you violate this Agreement.

"Trade Secrets" means information of eQuorum which derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by other persons who can obtain economic value from its disclosure or use, and includes any source code for software and software design documentation delivered hereunder, if any, in all forms. "Proprietary Information" means Trade Secrets and Confidential Information collectively, including, but not limited to business plans, product plans, technical and non-technical data, formulas, patterns, compilations, programs, devices, methods, techniques, drawings, processes, financial data, financial plans, product plans, or lists of actual or potential customers or suppliers of eQuorum, including the Software. Except as otherwise expressly set forth in this Agreement, Licensee will hold in confidence all Proprietary Information of eQuorum to the same extent and in at least the same manner as such party protects its own confidential or proprietary information, which shall in no event be less than reasonable care. Licensee shall not disclose, reproduce, distribute, transmit, reverse engineer, decompile, disassemble, or transfer, directly or indirectly, in any form, by any means, or for any purpose inconsistent with this Agreement, the Proprietary Information of eQuorum or any portion thereof in any form to, or for the use or benefit of, any person or entity without eQuorum's express written consent. Licensee shall, however, be permitted to disclose relevant aspects of the Proprietary Information only to its attorneys, accountants, officers, agents, subcontractors and employees to the extent such persons have a need to know such information for the purposes of performing such party's duties and obligations under this Agreement or by law; provided, however, that Licensee shall take all reasonable measures to ensure that Proprietary Information is not disclosed or duplicated in contravention of the provisions of this Agreement by such attorneys, accountants, officers, agents, subcontractors and employees. Licensee's obligations under this Agreement with regard to (a) Trade Secrets remain in effect for as long as such information shall remain a trade secret under applicable law, and (b) Confidential Information shall remain in effect for the term of this Agreement, and any extensions thereto, and five (5) years thereafter. The foregoing obligations shall not apply if and to the extent that Licensee establishes that: (i) the information communicated was already known to Licensee, without obligation to keep it confidential, at the time of its receipt directly or indirectly from eQuorum; (ii) the information communicated was received by Licensee in good faith from a third party lawfully in possession thereof and having no obligation to keep such information confidential; (iii) the information is independently developed by Licensee without use of any Proprietary Information received from eQuorum; or (iv) the information communicated was publicly known at the time of its receipt by Licensee or has become publicly known other than by a breach of this Agreement or other action by Licensee. In the event Licensee is required or requested by law, judicial order, any third party or governmental agency to disclose any Proprietary Information (including without limitation by verbal or written questions, interrogatories, requests for information or documents, subpoenas, or civil investigative demand or similar process), Licensee shall promptly notify eQuorum in writing of such requests or demand, in order to provide eQuorum with an opportunity to seek an appropriate protective order or other relief to prevent such disclosure. Licensee shall cooperate fully in all efforts to prevent disclosure of such Proprietary Information of eQuorum. Upon request by eQuorum or upon termination of this Agreement, Licensee shall return to eQuorum or destroy (if requested by eQuorum) any Proprietary Information in its possession or control and in all types of media and computer memory, and shall destroy any notes,

memorandum, projections, reports or other documents prepared by either party that contain or otherwise reflect Proprietary Information of eQuorum. Upon request by eQuorum, Licensee shall provide to eQuorum a written certification signed by an officer of Licensee that it has complied with this Section.

6. TERM AND TERMINATION. This Agreement is effective beginning on the Effective Date, and shall remain in effect until the expiration of the term as set forth herein, unless renewed, extended or terminated earlier in accordance with this Agreement (the "Term"). The Agreement may be terminated by eQuorum if (i) Licensee breaches any warranty, representation or obligation under this Agreement, including but not limited to the failure to pay any amounts due to eQuorum hereunder; or (ii) Licensee files a petition in bankruptcy, makes an assignment for the benefit of creditors, seeks the protection of any bankruptcy laws or if a receiver for Licensee is appointed.
